
WHO ARE COMMUNITY EDUCATORS?

We are the Community Ed. Directors,
After School Coordinators,
School Administrators,
Life-long Learning Instructors –
We are the learning
strands of communities.

We are the people addressing the
multiple needs of individuals, families,
organizations, and communities –
providing an array of
academic, recreation, health, social,
and other services to prepare people of
all ages for active and healthy
community life.

WHAT IS WCEA?

Wisconsin Community Education
Association (WCEA) is a non-profit
state organization committed to helping
communities connect all learners with
resources to strengthen every
community and school through
partnerships and citizen involvement.

The WCEA's mission is to advocate for
the improvement and expansion of the
community education philosophy as an
integral and necessary part of the
educational process.
