WISCONSIN VOLUNTEER COORDINATORS ASSOCIATION

VOICES FOR VOLUNTEERISM

Wisconsin Volunteer Coordinators Association

“A professional statewide organization advocating for volunteerism through support, resources and educational development”

Wisconsin Volunteer Coordinators Association was founded in 1973 to create a statewide network for administrators of volunteers. WVCA is designed to serve as a positive force in the promotion of volunteerism and Volunteer management.

The association provides annual volunteer management training as the sponsor of the Wisconsin Volunteer Coordinators Training Institute Conference each spring. The board meets at regular intervals to share experiences, exchange ideas and deal with issues of mutual concern.

Board meetings are open to paid membership. General membership meetings are held annually at the WVCTI Conference.

Membership in WVCA.....

- Offers a voice in promoting and advocating for a positive concept and greater awareness of volunteerism.
- Provides opportunities to increase involvement in issues pertaining to volunteers, education, personal and professional growth by attending an annual conference focusing on topics relating to volunteerism.
- Provides an opportunity to network with other directors through out the state of Wisconsin where you can share experiences, techniques and discuss future trends in volunteerism.
- Entitles access to a source file of other professionals with expertise in specific areas by receiving the annual WVCA membership directory.
- Provides the WVCA **“Connection”** newsletter, published three times a year, with information addressing concerns and actions at the national, state and local levels.
- Provides Educational Grant dollars for training/workshops or presentations to current paid WVCA Affiliates.

Wisconsin Volunteer Coordinators Association

I would enjoy being a mentor for other managers by assisting them in the following areas. Please check three areas.

- Application Forms
- Award / Nominations
- Banquet / Event Planning
- Budgeting
